Sea Freight (FCL)

We manage imports and exports worldwide, ensuring smooth transportation and professional service.

**General
Cargo**

**Reefer
Cargo**

**Flexi / ISO
Tanks**

Sea Freight (LCL)

We provide you with the choice to ship smaller quantities both by sea and land. Our global LCL network allows us to consolidate your cargo with that of other shippers and transport it to its destination.

- Port-to-port and door-to-door LCL logistics services

Warehousing

We offer bonded storage options, with a dedicated storage area for special cargo. Our experienced staff provides superior service and affordable warehouse rates.

Customs Clearance

Regulations, security, and compliance requirements can cause obstacles and delay your shipment.

We guarantee that your cargo will arrive smoothly, safely, and on time after you send it with us.

Inland Transportation

When you need to move cargo domestically across Egypt, We are always capable of finding space on one of our trucks to/from any destination in Egypt.
