

# PT. Multiguna International Persada

*Your logistics solutions*

# A Brief of Our Company Profile

- PT. Multiguna International Persada is a logistics company that has provided freight forwarding, customs clearance and supply chain logistics services in Indonesia since 2000, we have continued to grow and currently have 9 branches and representative offices in various strategic cities in Indonesia such as Jakarta, Medan, Semarang, Surabaya, Palembang, Banjarmasin, Pontianak, Makasar, and Bitung.

# Our Services

## Freight Forwarding

Providing sea freight, air freight, FCL, LCL, ex-work, inter-island re-delivery services.

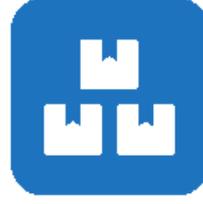

## Reefer Logistics

Covers all refrigerated logistics shipments including frozen restuffing.

## Inland Transport

Delivery within and outside the island through various shipping lines using ships, trucks and trains.

## Warehousing

We have storage warehouses for both frozen and dry products.

## Project Cargo

Project cargo shipments are generally close to deadlines, high risks, and often require special handling.

## Customs Handling

We have experts who fully understand all customs regulations and procedures for both export and import.
