LOGISTIC  
SOLUTION**

INTERNATIONAL FREIGHT FORWARDERS

# WHO WE ARE

GSA SRL is a 10 years experienced company in the freight forwarding/logistic industry. The founder, Mr Giulio Possente, had almost 15 years of background in the Shipping lines and NVOCC, before to settle his own company. We proudly handle and may handle logistic and freight forwarding activities under any point of view.

We are specialized in air, sea, truck and rail shipment and integrated logistic services. We have our head office in Naples and a representative office in Genoa, agents in any Italian Port and in Milan and Rome APT. We cover with our services, Italy from north to south and from east to west, including main islands.

We already operate worldwide through our actual agent network. GSA SRL always build up the service as per customer necessity, in term of precision, timeless, professionalism and cost attention and reduction; we always give to the customer a personalized service with more solutions for any single case.

## OUR SERVICES

### DANGEROUS GOODS

We have long experience and skill in order to handle/transport ADR cargo, any kind. We are proudly expertise in the fireworks industry and take care of many cargo we provide to delivery to any Italian fireworks Importer.

### CUSTOM CLEARANCE

We handle all the paperwork for the transfer of goods in accordance with the customs rules.

### LOGISTIC

We analyze the logistic needs of each customer and we develop effective and competitive solutions.

### INSURANCE POLICIES

We issue insurance policies to cover any kind of shipment, sea, air or inland transport, for any kind of commodity.

INTERNATIONAL FREIGHT FORWARDERS

# SEA FREIGHT

## EFFICIENCY AND FLEXIBILITY

We offer export-import shipments by sea to / from all over the world and through services FCL LCL door-to-door or port-to-port.

Transport IMO are managed in compliance with the principles IMDG (International Maritime and Dangerous Goods).

## LOGISTIC SOLUTION

- Warehouse management
- Terminals
- Supply of the raw material
- Delivery of goods
- Customs and Excise tax filling,
- Distribution and delivery

## GOODS INSURANCE

In order to protect the goods while on the move, from any damage caused to the same during all stages of transport, we issue insurance policies for covering of air shipments, iron, tires, water for all types of goods.

## BONDED WAREHOUSE

We provide our customers in the import / export a network of customs warehouses to store and receive merchandise that remains in a foreign state and then forwarding it to its destination.

# AIR FREIGHT

## COMPETENCE, PRECISION, FLEXIBILITY

We work in partnership with major airlines and a qualified network of correspondents.

We are capable of handling door-to-door air freight from and to around the world covering all import/export processes.

### CUSTOM CLEARANCE

As part of customs operations we provide our services to customers:

- Commodity classification
- Statements Import / Export
- Intrastat
- TARIC code
- MRN
- DPS (payment service duties)
- Calculating duties
- Value goods declaration
- EU entry procedures
- EUR 1, EUR 2
