STORAGE & WAREHOUSING SERVICES

ILS Egypt provides a variety of flexible warehousing solutions that can fit different needs. Our storage services include:

Bonded Storage CFS

We can accommodate and secure indoor/outdoor storage of cargo under the supervision of the customs authorities.

Storage of reefer containers:

Having reefer plugs installed we can provide safe storage for reefer containers.

Empty Containers Depot:

Our bonded container depot mainly serves shipping lines, leasing companies and SOC (Shipper's Own Container) in storing all types of empty containers.

Value Adding Services:

- Container Cleaning, Repair and maintenance.
- Inspections and Survey Reports.
- Pre-Trip Inspection (PTI) services.

PROFISSIONAL PACKING SERVICE

We have our own in-house carpentry workshop where design and produce custom – made crates for fragile and high value items.

Which ensure their complete protection. No matter the shape or size of your goods. ILS Egypt Ltd has suitable packing materials to wrap your goods with full care and safety. Our experienced stuff is specially trained well to use packing techniques which ensure the thorough packing of each item to be moved with care.

TRUCKING AND DISTRIBUTION

Our overland transportation and Distribution services are customized to deliver reliable and on-time solutions – every time. We offer a comprehensive Door-to-Door or Door-to-Port Road Haulage service to cater to our customers' distribution needs, whilst taking care of all the tedious customs and border formalities giving our customers peace of mind. We will provide you with the best advice and complete information on the various documentation requirements at each border/point of entry in to/out of any of the GCC countries as well as overseas destinations, offering our customers a one-stop-shop for cost efficient overland transport solutions. Our current fleet consist of: 20ft and 40ft trailers to transport containers in and out of port Heavy-Duty pick-ups to transport less than container loads or sizeable weight/volume shipments Vehicle carriers to transport vehicles to port and our loading yard Low-loaders
