ABOUT US

JPS GLOBAL LOGISTICS is a global supplier of transport and logistics solutions. As one of the top freight services provider in the region, we are a leader in enabling manufacturers and brands to significantly enhance their logistics operations. We deliver top-notch customer service through innovative technology and services. Our tailor-made logistics solutions for all types of businesses enables us to meet our customer's needs and to ensure efficient service. Over the years, we have acquired the capability and experience to provide logistics solutions to our customers in the quickest and most cost efficient manner possible.

ABOUT US

ONE STOP LOGISTICS SOLUTION

Being a one-stop logistic solutions provider, we are able to offer our reliable and efficient freight services through a network of over 107 agents in 127 countries worldwide. The Malaysian Logistics Group accelerates global commerce, helping merchandisers and marketers store, manage, protect and deliver goods directly to their customers.

OUR MISSION

It is our goal at **JPS GLOBAL LOGISTICS** to provide each of our customers personalized service to suit their needs. We treat our customers as partners and we are able to give value propositions, improving the logistics process in the quickest and most cost efficient manner possible.

OCEAN FREIGHT

JPS is a leading international LCL and FCL freight services provider. As a specialist in ocean-going freight transport, we offer both export and import freight services covering:-

Together with our strong network of domestic & international offices and agents located at all major seaports, JPS is able to ensure efficient and quality shipping of our customer's cargo. Our customers will also benefit from our preferential rates and space commitment from various shipping lines.

AIR FREIGHT

JPS is one of the leading international air freight services provider, are able to manage both inbound and outbound shipments through Kuala Lumpur International Airport (KLIA) and other major airports in Malaysia.

In addition to the handling of shipments in and out of KLIA, the international freight transport group is part of an established network of air-freight agents with representation in all the major airports in the world. Backed by more than two decades of experience, **JPS** is equipped to handle all types of air freight shipments, including DG, high-value and sensitive shipments.

LAND TRANSPORT

JPS offers an extensive network in land transportation. Seamless **Online GPS Tracking** ensures peace of mind for customers about the location of every shipment. The vehicles are **HSSE Compliant** and are insured with **Cargo Liability Insurance** and **Freight Forwarder Liability Insurance**.

CONTAINER HAULAGE

This enables the Group to offer door-to-port and port-to-door solutions for its Full Container Load (FCL) customers.

LAND TRANSPORT

CROSS-BORDER TRUCKING

To complement its multimodal services, **JPS** operates a cross-border trucking fleet which efficiently handles FTL and LTL trucking services and customs brokerage. We have service from Port Klang/ Penang to Bangkok and Singapore.

CONVENTIONAL TRUCKING

For its LCL customers and also for non-containerized movements, the group operates a fleet of more than 25 trucks of various sizes, The Group offers both short and long haul inter-state trucking to cater to the requirements of its customers.

CUSTOM BROKERAGE

JPS offers customs brokerage at all the major gateways of Port Klang, Penang, Ipoh, Johor, KLIA and Penang Airport.

This service enables us to support customers who require a “One-Stop Solution” of freight, customs clearance and delivery.

The Group has dedicated, experienced and trained staff at all its offices to ensure customs formalities are efficiently attended to. This service is further enhanced by the implementation of in-house designed customs brokerage software, which interfaces with the Royal Malaysian Customs.

With our singular BF code, we are operate under our own licence to perform customs clearance at all ports nationwide.
