TRANS PACIFIC GLOBAL CORP

"Always beside your cargo"

1. ABOUT TRANS PACIFIC GLOBAL

TPG CORP is one of the world's leading providers of freight forwarding and supply chain management services. For more than 10 years, we have been providing our customers with transportation and logistics solutions that support the way they want to do business, wherever they are in the world.

A global network of logistics

We manage and serve some of the most advanced supply chains in the world; in a diverse range of industries. With a relentless focus on simplifying complex supply chains, we uncover efficiency improvements that enable our customers to cut their inventories, reduce operating costs, and make significant short-term savings for long-term competitiveness.
