## Sea freight, (LCL and FCL)

We have contract service with major carriers like MSC, MAERSK LINE, CMA CGM and HAPAG-LLOYD for instant rates for any destination to/from Africa. We also get the best market rates possible for your booking instantly from/to any destination globally.

---

## Air freight

With the current pandemic causing serious delays and cancellations on so many air freight shipments around the world, we work seamlessly with all our partners in different networks where we are members to give best market rates on different destinations to/from Africa.

---

## DDU, DAP, DDP, EXWKS and FOB shipments

We offer a variety of seamless clearance procedures on all types of shipments under incoterms 2020, we also offer pre-clearance for so many shipments which require scheduled deliveries and same day deliveries.

---

## IOR Services

We offer mission critical services where we act as Importer of Record for IT firms who require Door2Door services. We have our own import license which enables us assume this function with full legal warranties and will pay all taxes/duties due on cargo before delivery. This service we offer in all our three own offices in Benin, Togo and Nigeria, we also offer same in other 47 countries of Africa where we use different network partners to make sure we offer seamless clearance and delivery.

---

# Customs Broker

---

## Import customs clearance

At FML our slogan is "Every Move, Our First" which clearly shows our determination to treat each shipment as our first and make sure we deliver with no hitches and on time. We make sure to have all documents on time and move to ensure that customs formalities are pre-concluded before each shipment arrival

## Export customs déclaration

With the ever-changing daily customs regulations and with the introduction of the AFCTA pact among African countries, we shall see a very fast growth in export of goods among

African countries. We intend to capitalize on this by making sure we update our clients with each country's current customs regulations to avoid any delays in trucking within the region and exportation globally.

# Warehouse

## Storage

We intend to purchase our own storage facility in Lome, Togo by 2022 which will enable us offer instant and secure storage for IT cargos and medical goods which require cold storage. We also offer very large-scale warehouse facilities for Agricultural commodities like Cashew, Soya Beans, Sesame. Etc.

## Collection and Combination

We offer this service for our IOR clients who require pickup, storage and delivery within specific time frames and different time zones.

## Distribution

This service we mainly offer for our FMCG companies in Nigeria who require distribution of their goods across board from Lagos up to Ivory Coast and even as far as Senegal. We know the timely requirements of these goods which is we have agents spread across borders to make sure trucks do not have any delays in transit.

## Home Relocation Service

## Import and Export agency

- Export agency for 3rd party cargos
- Import agency for DDU, DDP cargos

We offer seamless customs clearance of cargo as we plan ahead to make sure delivery location is visited and client informed beforehand on container arrival. We can also act as consignee for DDP clearance where final client only has to confirm delivery address and we do the rest.

## Trucking

### Cross border trucking

Our specialty in cross-border logistics is that we have teams placed at each border crossing from Cinkassé (Burkina Faso/Togo), to Torodi (Burkina Faso/Niger), to Gaya (Niger/Benin), to Seme (Benin/Nigeria), to Hilla-condji (Benin/Togo) ...etc we have teams ready to help trailers cross easily and also offer pre-arrival clearance for all trucks before they get to the border. We also understand the need to make sure cold trucks are not delayed at the border which is why we strive to offer immediate passage upon arrival for all our cold container deliveries.

### Inland trucking

We offer seamless inland transportation in Togo, Nigeria and Benin where we deliver time critical cargos and with the Global vaccination campaign under way, we are deeply involved in delivering medical cargos needed to combat the COVID-19 virus. We are also involved in delivery of machinery and OOG cargos which need special transport to different sites and difficult terrains.

## Vessel Chartering
