Our Network partners facility has been used for all incoterms movements in a competitive and time-sensitive manner

- FTL/ LTL ➤ Reasonable price ➤ Border agents set up
- Proper handling

CUSTOMS CLEARANCE

PROJECT CARGO

In recent years we have expanded our network dramatically and today we offer services to customers worldwide. PROJECTS are becoming more complicated, cargoes may come from several origins and all shipments need to arrive at the same time, regardless of where they are coming from. The core business is handling Break bulk, RO/RO & offshore and onshore PROJECT TRANSPORTATION We ship cargo from factories Worldwide and deliver cargo to job sites Worldwide. Each project is unique, few jobs are alike and we take nothing for granted when we start upon a new Project. We handle all types of cargo which can be part of a project, from small LCL shipments and containers to very large and very heavy units. To get the cargo to its destination we can and do apply all modes of transportation:

We have experts in VESSEL CHARTERING, HEAVY LIFT, CONTAINER SHIPMENTS, TRUCKING, AIRFREIGHT, RAIL, BREAK BULK, and PROJECT MANAGEMENT.

- By Ship ➤ By Truck ➤ By Truck ➤ By Air

HEARTY THANKS TO ALL FOR WATCHING!
