About us

**The headquarters is located in
Frankfurt am Main, Germany**

FANTASTE DEUTSCHLAND GMBH was founded in 2014 at Frankfurt am Main Germany. Close to FCS Frankfurt International Airport. It is a dynamic international logistics service provider.

Fantaste strives to provide cost-effective, efficient and flexible logistics solutions to customers, and provides professional logistics consulting support. It has maintained strong cooperative relations with the world's mainstream airlines and cargo shipping companies to ensure that our valued customers can get more reasonable prices and high-quality services.

Air freight

FANTASTE's location at European aviation hubs and its professional operational capabilities make it possible for your cargo to reach any destination worldwide within one to two days

A close and strong partnership with airlines

Professional IATA certification and dangerous cargo handling qualifications

Stable capacity contracts with multiple airlines

We can fly for you

General cargo: machinery, parts, and manufacturing materials

Complete automobiles and oversized cargo

Dangerous goods: batteries, chemical raw materials, liquid chemicals, and compressed gases

Live animals: racehorses and dogs

Ocean freight

FANTASTE specializes in operations at the ports of Hamburg, Rotterdam, and Antwerp, ensuring your cargo reaches its destination as quickly as possible."

Almost all sea transport to and from Germany and central Europe goes through the ports of Hamburg Rotterdam, and Antwerp.

The combined rail and truck intermodal transportation for container pick-up and delivery enhances competitiveness

FCL AND LCL

European land freight

FANTASTE has a professional, efficient, and flexible trucking service network, ensuring timely pick-up and delivery of every shipment to EU countries such as Germany, the Netherlands, France, Austria, Switzerland, Belgium, and more."

Full truckload and economical trucking services

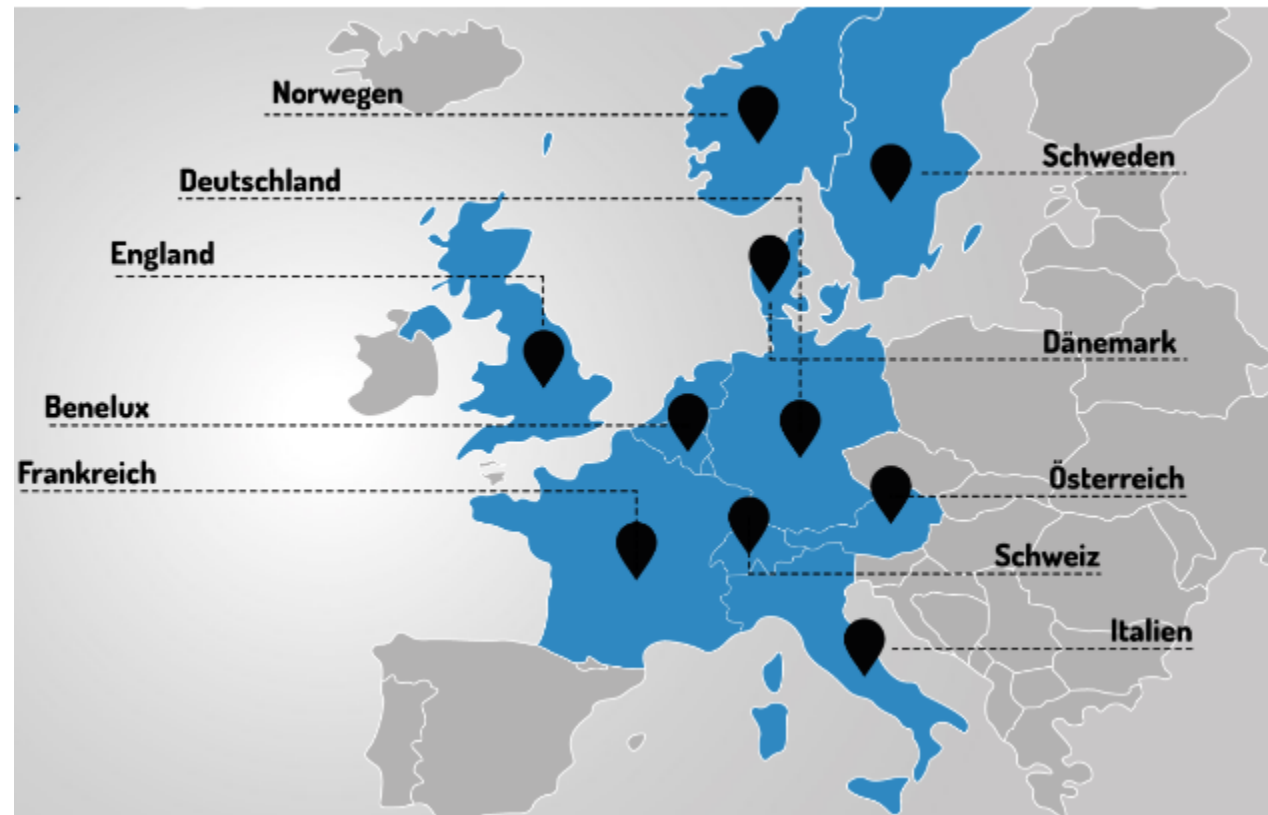

Temperature-controlled refrigerated trucks

Special size trucking services

Land freight services

An efficient and comprehensive trucking service network covering Germany and all its key neighboring countries

Germany, the Netherlands, France, Austria, Switzerland, Belgium, and more

We offer short-haul, in-house trucking services as well as long-haul trucking services within Europe. Our trucks operate daily between various airports and our warehouses, and also collaborate with other partners to provide more complex and long-distance delivery services to our customers. Each truck order must comply with regulations set by airport authorities, port authorities, and customs."
