Logistique internationale - Commerce Général  
Centrale d'Achat, Transport, Transit, Négoce - Prestation de Services

**GMV INTERNATIONAL LOGISTICS EFFICIENCY** is a comprehensive logistics company founded in Cameroon in September 2020 with headquarters in Douala and branches in Gabon, Chad, and Central African Republic. Our company is cost effective and time saving; thanks to our trading partners worldwide and also thanks to our team of well trained and qualified workers, we are able to provide quick and reliable services to our customers at very low cost. Below is a list of our field of competence

- **AIR/SEA FREIGHT: FCL/FCL & LCL/LCL**
- **WAREHOUSING AND DISTRIBUTION**
- **CARGO CONSOLIDATION**
- **INLAND TRANSPORTATION**

We are committed in the prospect of local and foreign products such as wood, coffee, cocoa, rubber, sesame and we equally help facilitate their exportation abroad.

- IMPORT AND EXPORT CLEARANCE**
- HARDWARE PRODUCTS**
- ELECTRONICS AND COMPUTER EQUIPMENTS**
- SPARE PARTS**
- PHARMACEUTICALS**

In Cameroon as well as in most countries of the CEMAC zone, the economy is highly influenced by imported goods. As such, GMV International Logistics Efficiency strives to put at the disposal of its customers, the best products and suppliers at very competitive rates and affordable transit time.

- **E-SOURCING**
- **E-PROCUREMENT**
- **DIGITAL PRODUCT MARKETING**
