YOUR RELIABLE PARTNER IN VIETNAM

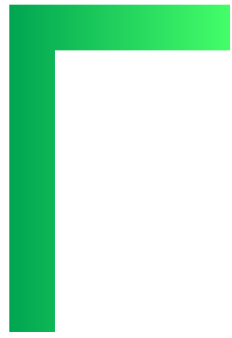

ABOUT US

M&P INTERNATIONAL COMPANY LIMITED (MPI) was established since 2000, specialized in Freight Forwarding and Shipping Agency.

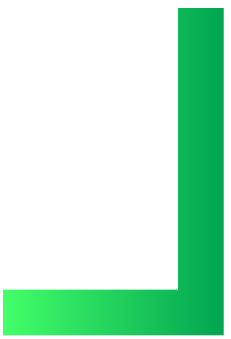

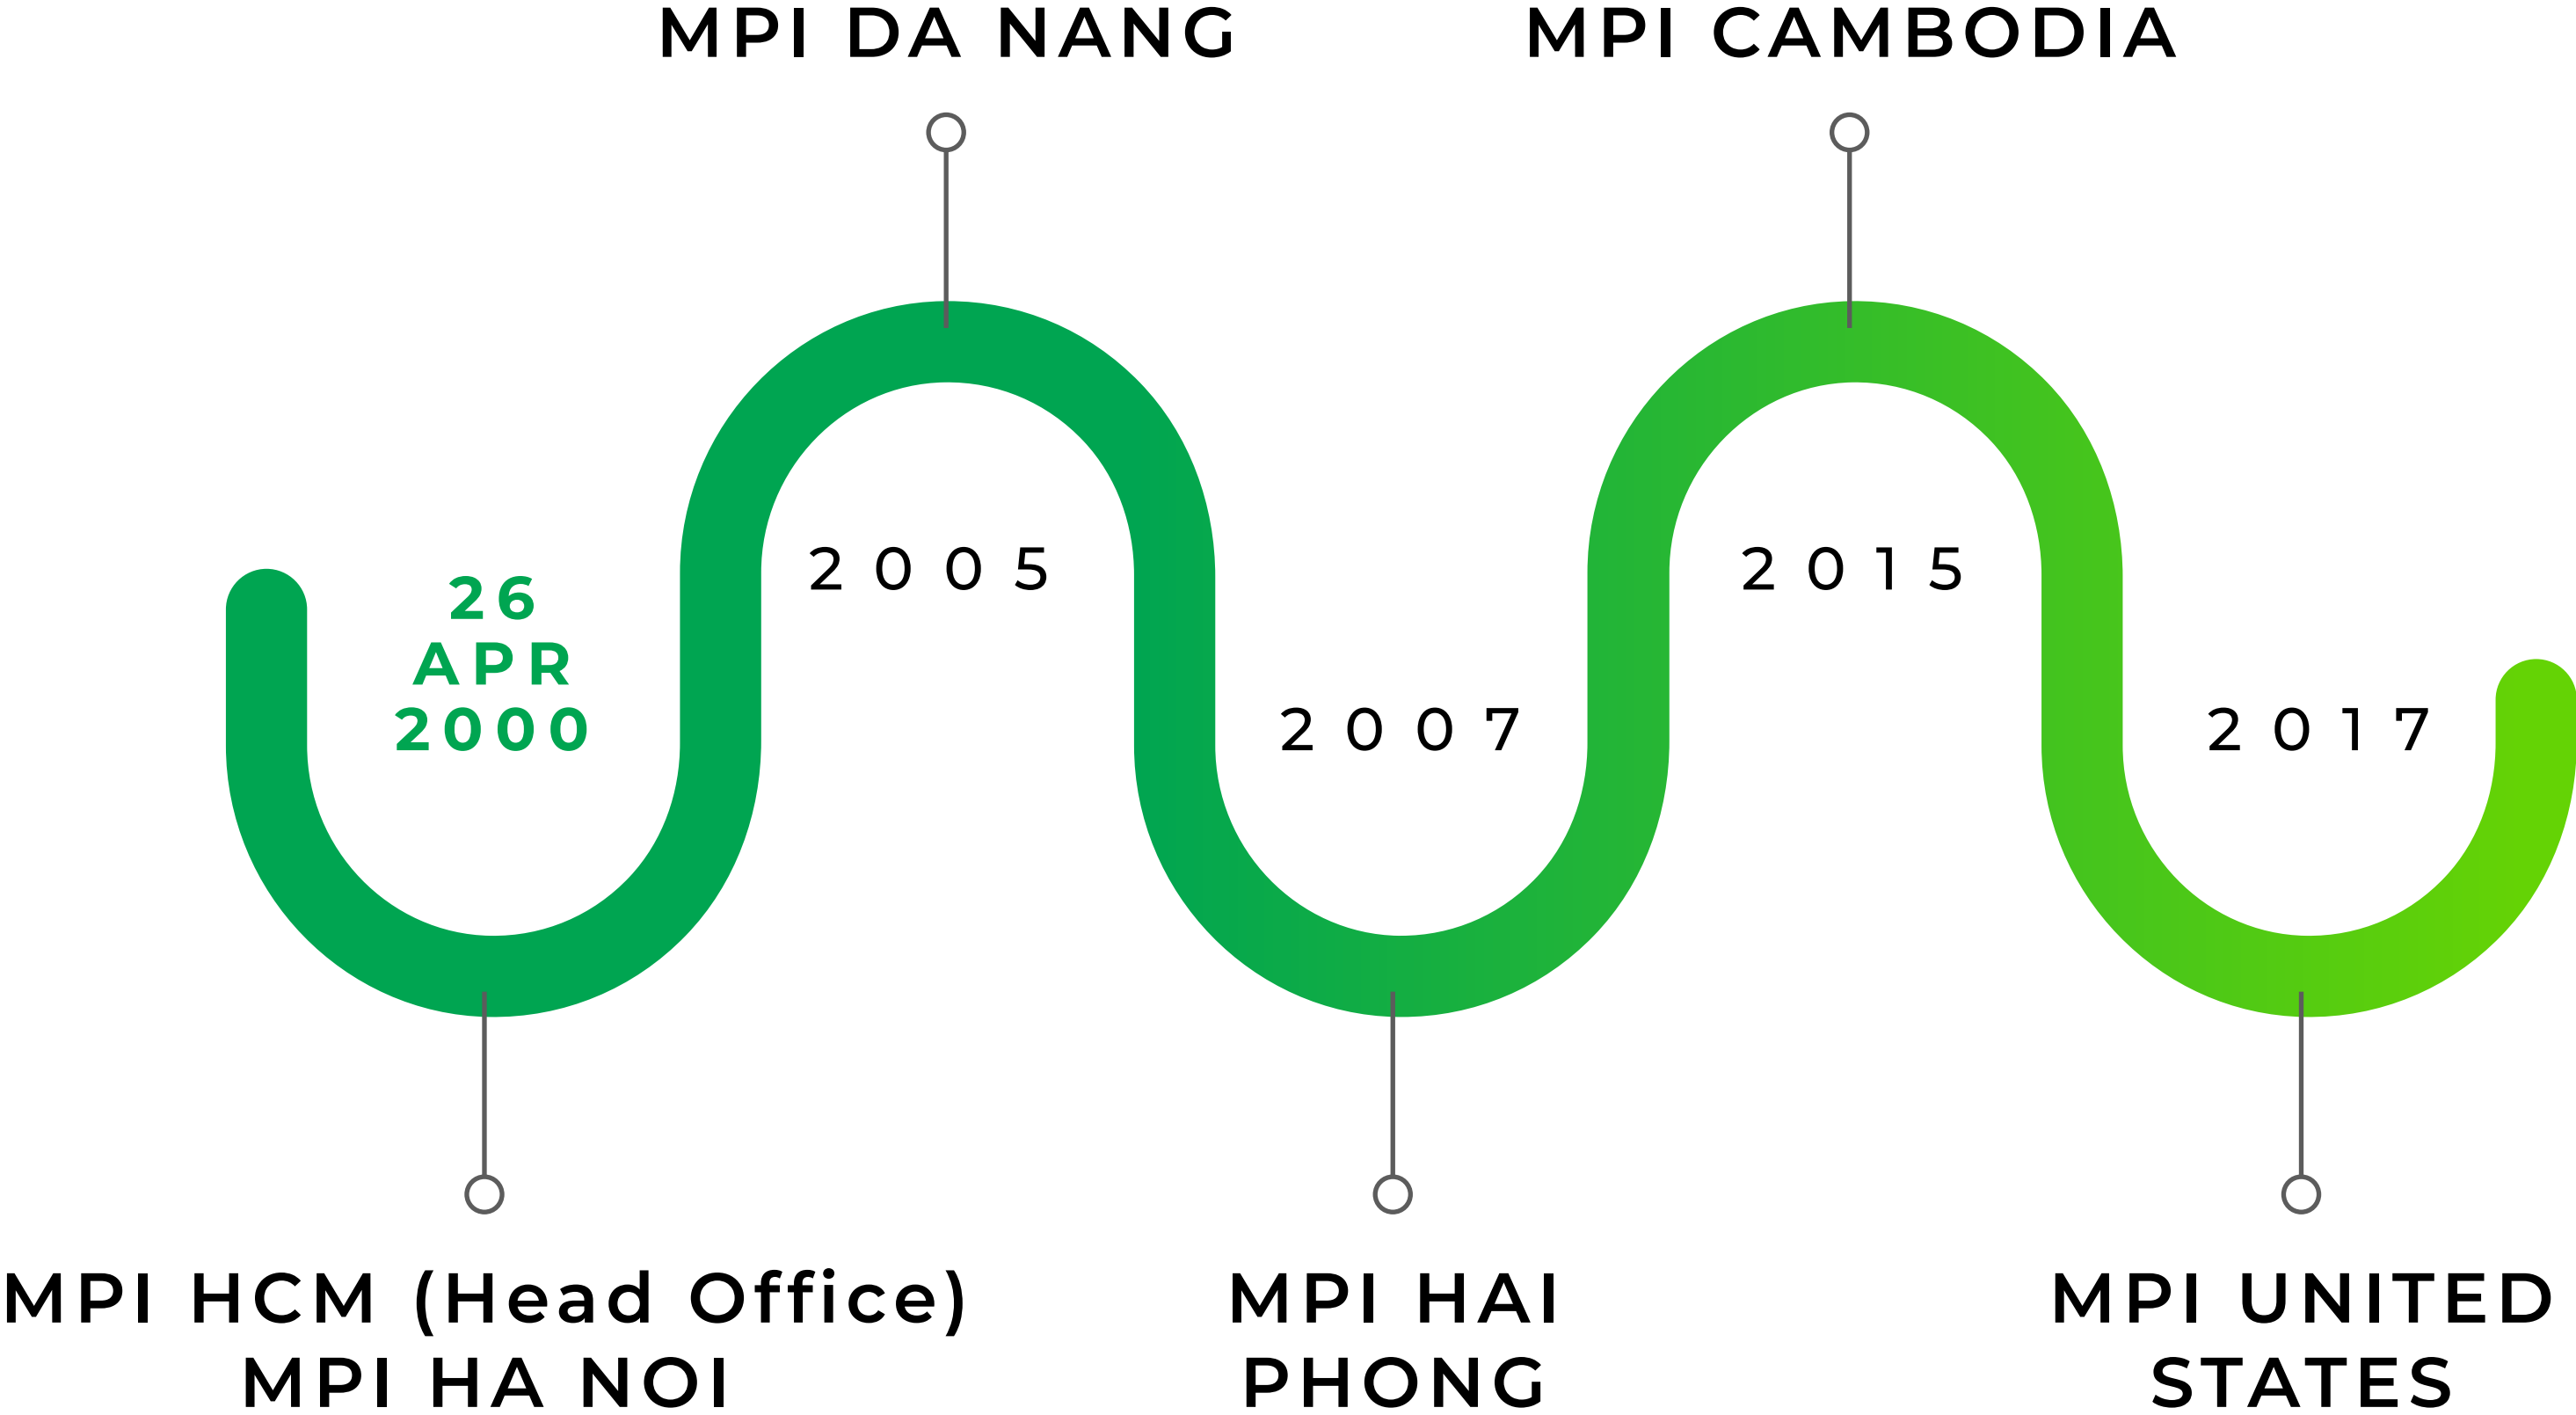

We always consider customers, agents and other suppliers as part of the company. We pledge our honor to bring the benefits to our partners in a "win - win" relationship.

As the top International Freight Forwarders in Vietnam market, we have branches and representative offices located in major cities of Vietnam, together with Agent Network system covering over the globe. We hope to link the world closer and constantly improve the service to ensure the Expectation - Reliability - Competitive Rate.

Our motto: "We take it personally".

HISTORY

OUR COMMITMENT

Quality of service is a key factor to bring success to the company. We always try our best to improve supply chain services because we are getting more and more cooperation and the first choice of many domestic and foreign partners. MPI is confident that in the long term, we can grow further, bring more value to our customers for mutual benefits.

OUR SERVICES

- Sea Freight / Air Freight / Multimodal Transport.
- Project Cargo Handling.
- Ships & Cargo Agency / Chartering / Brokerage.
- Door to Door Delivery / Customs Clearance.
- Warehousing / Distribution.
- Cross Border Services.
- NVOCC, SOC Services.

At MPI, we provide personalized services for your local and global transportation needs.

AIR FREIGHT

MPI has built long-term relationships with most reputable airlines such as: **Vietnam Airlines, Hong Kong Airlines, Singapore Airlines, Japan Airlines, China Airlines, Eva Airways, Thai Airways, Qatar Airways...** This always helps us having a greater advantage in air transport.

With an average volume of over 10,000 tons per year, we are confident to have the best experience and solutions for you.

Cargoes are transported by us not only including general cargo, but also other special cargoes such as DG cargo, large size cargo, frozen cargo, express cargo... Also, small parcel delivery service is our strength.

SEA FREIGHT

With over 20 years of experience, we have got a special relationship with major shipping lines such as **Maersk, MSC, CMA, MOL, K'LINE, Evergreen, Yangming, SITC, Biendong, Vinalines** to provide the regular shipping schedules with competitive prices for FCL shipments to any ports in the world.

For LCL cargo, MPI is one of the pioneering Master consolidators in Vietnam opening direct consol boxes directly to **Singapore, Hong Kong and the US...** We undertake import/export LCL cargoes with more than 2,000 ports/destinations worldwide such as **Singapore, Port K'Lang, Hongkong and Busan.**

MULTIMODAL TRANSPORT

MPI's Sea-Air Multimodal transport the solution to reduce air transportation costs and ensure faster transit times by sea.

You can send the goods from Asia to Europe, North and South America or Africa in just 2-3 weeks.

Benefits of Multimodal transport:

- Significant cost savings.
- Suitable for all products.
- Option to expand or shorten the supply chain.
- Fix production delay.
- Meeting increasing demand for goods.
- New supply chain solutions are based on a balance between cost and time.

NVOCC SERVICES

MPI is operating our own 100-+ fleets including dry box, Reefer and ISO Tank. We are providing own services to the most of small ICDs, Inland ICDs, Small terminals not only in Vietnam but also with various countries which we our own service to with stable service.

Services related:

- Depot Services.
- Container Repositioning.
- Shipping Agency.

PROJECT CARGO

Manage project freight requires special expertise, always follow carefully and in detail. We have high reputation in this type of transport.

Our dedicated team of professionals consists of well-trained project specialist and long-experienced engineers. We treat each single project as a unique assignment with special attention to every detail, from design, planning, to execution and delivery.

We are able to secure reliable performance and cost optimization when handling projects of immense capacity and scale.

SHIP BROKERING / CHARTERING

As the leader in this service since 2000, we request of ship brokering, chartering for many types of cargoes including: bulk cargo, break-bulk cargo, heavy-lifts cargo, project cargo...

Reasons to go with MPI service:

- Good connections with many domestic and foreign ship owners, with all ship sizes and tonnages.
- An ecosystem of logistics to provide flexible solutions including customs/ trucking to ports and warehouses.
- Our skilled staff who is always ready to help you in the fastest way.

DOOR TO DOOR SERVICE

We will pick-up the cargo from the Shipper's warehouse and deliver to the Consignee's warehouse after completing all necessary procedures. This package will help you save a lot of cost & time.

We accept all requests from small single shipment to large industrial equipment.

Our advantages:

- Global agent network.
- High-quality supply chain of Logistics services.
- Reliable and professional handling skills.

WAREHOUSING SERVICE

Our warehousing services always provide suitable solutions for customers aiming to find establishments with strategic locations for the most optimal service.

A key element in our philosophy is to truly understand your business and logistics needs. In this way, we can help provide tailored service solutions for your business.

Our strategic warehouse locations combined with the best lifting equipment, infrastructure, processes and systems to ensure effective, fast, timely and economical solutions.

Services attached to warehouse:

- * Management and inventory control
- * Handling domestic and foreign orders
- * Barcodes, repacking, labeling and quality control.

TRANSIT CARGO / CROSS BORDER TRANSPORT

We provide cross-border transportation / logistics services between Vietnam - Laos - Cambodia - China. Our "door to door" package solutions are safe and fast with the most competitive cost.

Our services include: Customs clearance, transport of FCL, LCL cargoes or over-size / over-weight, special cargoes for big projects.
