## COMPANY PROFILE

Established in 2015 in Xiamen. It is the 1<sup>st</sup> class International forwarding company approved by the Ministry of Commerce of P.R.C., which own more than 20 employees at present and maintaining the momentum of development. All of whom are all with rich experience at forwarding industries, that turned ECL capable of all shipping businesses, including shipping agency, international freight forwarding, land transportation, shipping brokerage, ship management, warehousing and distribution services. Also we are engaged in international trading ,exhibition logistics, histrionics logistics and others project logistics, to offer supply chain service to meet all the requests of our clients.

With adherence to guideline of “ Serving clients with credibility, safety, promptness, devotion, efficiency and responsibility”, we undertake businesses of international Air & Sea freight forwarding and Air-Sea trans-modal transport of import and export, which include space booking, storage, transport, container breaking-up & consolidation, customs clearance, accounts settlement, and insurance, etc.

- Door to door solution, including customs declaring, trans-shipment, door delivery, etc.
- Break-bulk service, vessel leasing and shipping agency
- China export/import transportation worldwide, vice versa
- Multi-modal transportation including airway, sea-air, door delivery, bonded warehousing, etc.
- China foreign trading and import-export agency
- Logistics for exhibition and histrionics

Our Advantage:

\*As booking agent for CNC/KMTC/TSL /COSCO/SITC etc, provide service to Japan base & Side port/  
Korea / Southeast Asian/ Middle Asia etc

\*Big project and exhibition logistics Service.
