Shipping & Marine Services FZCO

Every Move a Success
Your Reliable Partner in providing Economical Solutions

PROFILE

Albatross Shipping & Marine Services FZCO (ASMS) is a young, aggressive and a versatile entity having a decades of Experience and Expertise in the field of Shipping, Project Logistics, Chartering (Air & Sea – Heavy Lift / Over Dimensional Cargo & Dry Bulk) and Ship Supplies in UAE and GCC Region. We started out with a vision to deliver exceptional customer value with a zeal for service with experienced and a qualified team. We have established exclusive partnerships located in all the key markets across the verticals and their global presence ensures that our customers enjoy a seamless service experience everywhere, every time and in every country.

Our exclusive partnership with a Global Consolidators with extensive increasing geographical coverage and systematic operations has helped us to establish ourselves as one of the reliable partners.

We have diversified into project cargo forwarding, consolidation, logistics and outbound logistics; complementary services requiring similar infrastructure and capabilities.

Evolving each day to meet the dynamic needs of this Service, we have successfully networked ourselves in order to offer quality solutions for even the most complex service demands.

Our action plan is simple - identify customer needs, provide timely solutions, measure customer satisfaction and improve the speed at which services are brought to the customer's workplace.

Albatross is an operating integrated shipping related services ranging from logistics, shipping, warehousing, international trade consultants, sea, air freight forwarding, customs brokerage and Ship Supplies. These ventures, though established fairly recently, have also turned into viable profit centers contributing to the continued growth of our business while offering excellent service to the respective industries. Making us one of the reliable integrated Freight Services / Ship Supplies Solutions companies in UAE.

OUR VISION

Pioneering in reaching the highest level of unique and effective shipping and Marine supply services and solutions that achieve utmost customer satisfaction.
