# ABOUT IQARGO

IQargo, your personal shipping agency, provides made-to-measure logistics and transportation services. We are dedicated to make sure your shipping needs are met **quickly** and **efficiently**. Our experienced team members deal with a wide range of logistical queries on a day-to-day basis and pride themselves on always finding a fitting solution. IQargo was founded by **Maarten and Jordy**, two young and energetic people, who make sure IQargo's services never lose their personal touch. Together, Maarten and Jordy have almost **20 years of experience** working at Amsterdam Schiphol Airport. The fast and dynamic world of international logistics and transport is where they thrive. Maarten and Jordy personally make sure IQargo offers excellent customer care and made-to-measure services.
