## OUR COMPANY

Pentagon group of companies is an emerging group of Pakistan that has diversified business activities under one umbrella.

In the strive to help its customer optimize and globalize to cope up with world's changing trends, Pentagon Group started operation in year 2008 with the vision to establish logistics and trading setup to offer customers a unique opportunity of providing complete solution by procuring raw material to finished goods offering complete range of supply chain solutions and deployed resources to establish local and international network of agents offices, reliable manufacturers and suppliers to meet customers end to end demands.

Pentagon group today enjoys trusted reliable and efficient service provider in country with worldwide partners.

## Co-Founders

Mr. Qamar A. Zaidi started his career with PIA, his list of achievements includes a successful operation of DHL/TCS from scratch in Pakistan as Head of the organization. He also started UPS Pakistan and remained as managing director of the company for 15 years. After UPS, Mr. Zaidi established FedEx Trade Network as CEO. He has extensively travelled across the globe and attended numerous conferences and training sessions. His expertise ranges from Air express, Road Transportations, Logistics, Supply Chain and Cross Border transit.

Mr. Ghuyyur A. Zaidi has brought profound freight expertise and trading competency to the PGC with a prior experience of working with numerous multinationals & forming alliance with numerous freight agents and traders across the world. In 1980, he entered the freight industry and later became a part of multinational giants like ITC Air Cargo & Fritz (now known as UPS Pakistan). He holds a commerce degree with over 30 years of experience in the industry and has attended various training courses and sessions.
