

COMPANY PROFILE

Air Freight

Sea Freight

Road Transport

The background of the page features a photograph of two individuals in a professional setting. On the right, a man with dark skin and curly hair, wearing glasses and a white patterned shirt, is smiling and gesturing with his hands. On the left, the arm and hand of another person are visible, pointing towards a laptop screen. The scene is set in a bright room with a large window and a potted plant in the background. A large, semi-transparent purple rectangle is overlaid on the left side of the image, serving as a backdrop for the text.

Our Services

AIR FREIGHT

Aska Logistics is well acclaimed for its on time and seamless air freight operations that have created value for our clients. We pride ourselves with the fact that we've been consistently receiving significantly large orders from our clientele through freight services.

SEA FREIGHT

Our Sea Freight solutions have been customized to handle various consignments including large project shipments. We ensure optimal pricing for all our clients along with world class service. Our reputation is well known in the market in handling overseas shipments.

ROAD TRANSPORT

Road has proved to be one of the most efficient and fluid modes of transport since the start of trade. Our state of the art fleet ensures timely delivery of your consignments across the globe. We ensure complete safety of your goods to final destination.

PACKING AND MOVING SERVICES

Aska Logistics offers packing and unpacking services that can be customized to meet the needs of any move, large or small.

We find underestimating the time and energy required to pack for a move is very common, and it can be one of the most stressful aspects of planning for a move. This is why we include packing services as part of our full service moving offering.

Our professional, careful movers and packers are expertly trained to pack items of any quantity, value, or fragility, from a library of books to a cabinet of fine china. Professional moving and packing services from Aska Logistics will ensure that your items are packed efficiently and transported safely.

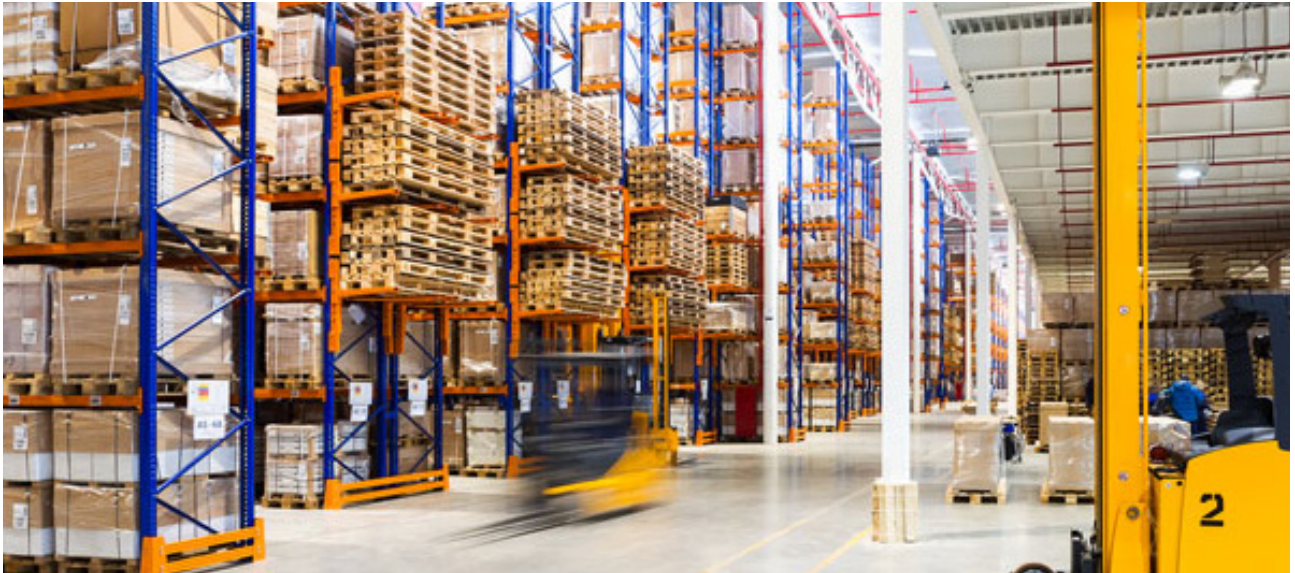

CUSTOM CLEARING SERVICES

Aska Logistics's teams of experienced personnel are able to offer professional, personalized customs clearance and delivery services to all our clients.

All of our declarations are quality checked by our tariffs team prior to submission to customs. We regularly provide status reports via e-mail based on your specific requirements.

Our reporting keeps track of your shipment throughout the forwarding and customs clearing process from the time you place the order through to final delivery of the consignment at your desired location.

Our customs clearing department will provide continuous consultancy along the entire path of the shipment.

WAREHOUSING SERVICES

Our global footprint and extensive network means we have facilities ready to handle your supply chain, whether at origin or destination. By combining shipping with warehousing and distribution, you benefit from a seamless end-to-end solution with fewer logistic service providers. Complexity is reduced, and you gain speed, control and visibility.

DOMESTIC TRANSPORTATION SERVICES

Aska Logistics meets your expectations as a trademark providing perfect results in domestic transportation services. You can access all kinds of logistics services by contacting us. We provide fast and ideal solutions to your requirements with safe transportation processes.

Domestic transportation means all kinds of transportation inside national borders. Although transportation vehicles can vary, this transportation is done inside borders. Customer orientation lies under our successful solutions in transportation. You can also have the most appropriate results by preferring Aska Logistics.
