Your ultimate freight partner!

www.paramountlogistic.com

About Us

With 10 years' experience in freight forwarding industry, we are a team of experts having the complete knowledge and know-how for logistics and supply chain management. At PLI, we boast experience and expertise in global logistics management services. Our clients can selectively or completely outsource management and transportation of raw materials and finished goods in Pakistan as well as the overseas markets. This is complemented by our knowledge of systems and an ability to deliver precisely the right solution to a custom set of requirements. We have established a reputation of trust and goodwill among our clients and have gained recognition as a leader in the logistics market. Today PLI is a global organization and ready to assist clients with any kind of logistics requirements under a single roof.

Our Vision

To offer our customers high performance logistics solutions based on the creativity and on the ongoing optimization of our operations; focused on the actual cost reduction, respecting our partners and continuously investing in the personal growth and technical improvement of our associates.

Our Mission

To be the strongest, most reliable and innovative logistics company in Pakistan.
