AN INTRODUCTION

M/S SD Freight India Logistics ISO 9001: 2015 MTO REGN NO: (MTO/DGS/1666) is a Freight forwarding company based in Kolkata (East India). Established in the year 2004 we have crossed one and half a decade catering to logistics requirements of some of the most reputed clients in eastern India. We are thankful to our team members and our valued customers who have extended their un-conditional support to us during all these times and have helped us to establish as a mark of dependability and reliability in the eastern region of India.

We are involved in freight forwarding and customs handling and also ISO 9001: 2015 certified organization as well as a licensed customs broker. We have been one of the leading freight forwarders catering to the Asian Sub-continent especially to and from the eastern region of India.

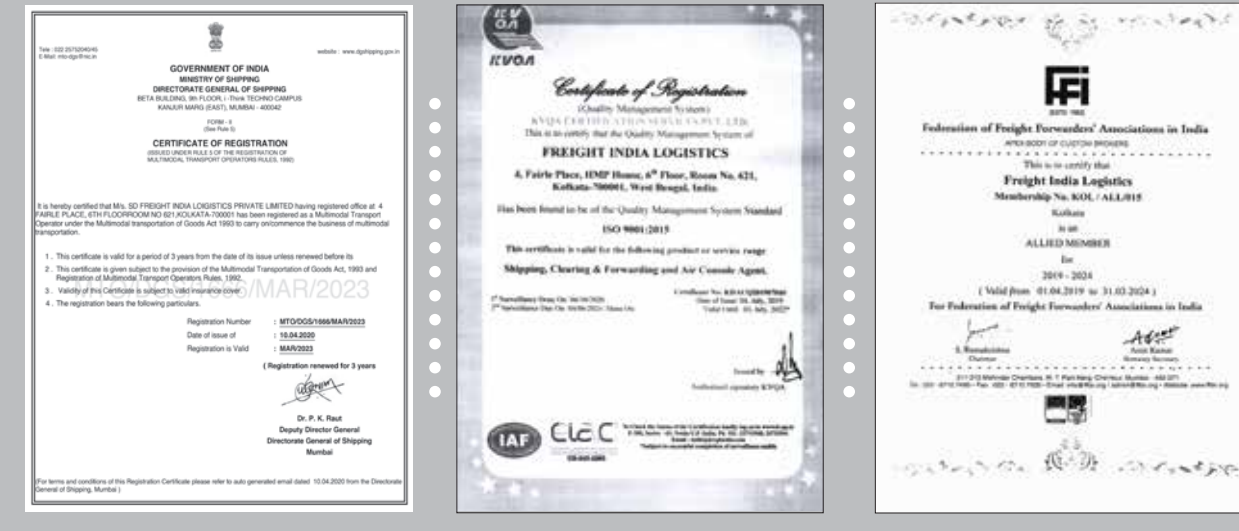

INDIA - BANGLADESH TRANSPORTATION VIA LCS

Throughput traffic to and eastern India comprises of a substantial volume of traffic to and from Bangladesh via major Land customs station namely Petrapole, Hilly and others.

Petrapole (India) and Benapole (Ban) holds a significant share in this cross border traffic. There are "N" numbers of commodities traded between these two countries everyday in substantial quantities. We "FIL" is really thankful to our esteemed clients and agents to have vested trust on us for handling their entire logistics including transportation, customs handling, warehousing and a PAN India distribution of their valued cargo in major volumes through various LCS both inbound and outbound.
