

Joyful Global Logistics

WHY

Customer concerns:

1. The quotation is late and overall cost is too high.

2. The transportation time is difficult to guarantee.

3. The overall service level of freight forwarder is low.

HOW

Our solution

1. Build up a core team with an average of more than 15 years of industry experience

2. Three steps to improve the service process:
Determine customer needs + Develop feasibility proposal + Develop logistics and transportation plans

3. Establish secure cargo storage

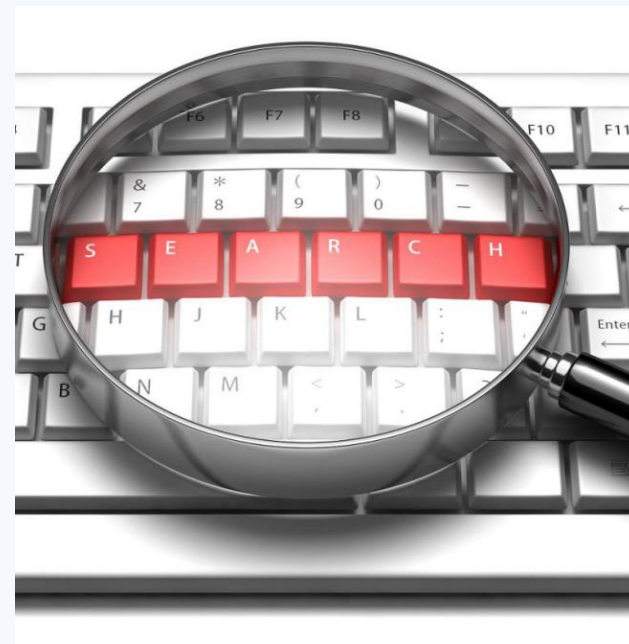

HOW

Our solution

4. Establish long-term cooperative relations with Shipping Companies/ Airlines/Reliable oversea agents

5. Cargo tracking
Special personnels are assigned to provide 12-hour tracking service and update timely for every step.
