

## ABOUT KTC GLOBAL LOGISTICS

KTC Global Logistics was founded in 2014 as an international Freight Forwarder and Customs Broker. Over the years, we have acquired the capability and experience to provide one-stop logistics solutions to our customers in the quickest and most cost-efficient manner possible. Our hands-on, consultative approach allows our team of experts to **offer complete supply chain solutions for even the most demanding customers world-wide.**

## Our network

We work together with an exclusive global network of carefully selected freight forwarding **partners in 190 countries around the world**, who are committed to provide local coverage and freight forwarding expertise in their own country, which helps us to provide cost-effective solutions to meet the expectations of our customers.

With feet on the ground around the world, our team understands the laws and cultures of each origin and destination. With KTC GLOBAL LOGISTICS, you can rest assured that your supply chain is managed by a team of experts guided by a company-wide philosophy.

Our commitment to this philosophy has enabled us to consistently exceed our customers' expectations

“It is not the mountains we conquer  
but ourselves.”
