## MODERN HOT POINT LLC (MHP)

is a non-asset based NVOCC owned independent freight forwarding company, established in 2009 with the concept of providing our customers with a comprehensive partnership, to enhance every aspect of their freight forwarding requirements. Headquartered in Muscat and incorporated under the Commercial Laws of the Sultanate of Oman with its primary function being to exclusively manage the entire commercial and operational activities in its core business of Shipping, Logistics, Trading and Allied services. Since our inception we have been dedicated team towards providing the best of the breed services for our clients. We understand the importance of our client coming to us & the reason of them coming in. Thus for us to serve our clients with better various services to cater to your general and specific requirements. This has been achieved through our sustained practice of adapting our services to meet the requirements of our clients and continuing to conform to their individual needs. Empowered by a highly trained and experienced team, well equipped facilities and the expertise of management, and combined all these features help you to achieve, the goals in which you may have set for your business.

### Warehousing

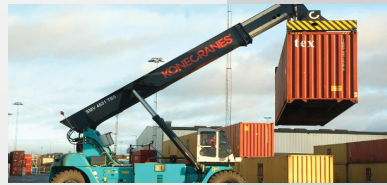

Our Warehouse is geographical located in middle of Muscat and Sohar which are two major ports in Oman, with 24 hours CCTV surveillance, with Ramp and Forklift facility round the clock operational, our covered warehouse is of 7000 sq ft with 50% temperature controlled, and 15000 sq ft open yard available for long and short term storage on nominal rents.

### Freight Forwarding

Our main focus is to offer clients the End to End Logistics service, were client doesn't need surf multiple service providers at different situation. We have more than 200 professional business partners across the world. Our main activity LCL Consolidation into Muscat (direct Boxes), NVOCC activity with own fleet of containers (20', 40', DV, HC, OT, FL) Air Freight, Overland Transport with in Upper and Lower Gulf.

### Heavy Lift

We have our fleet of heavy lifts like Cranes upto 500 tons, Fork Lifts upto 10 tons, Crane mounted trailers. Same can be supplied depending upon the clients requirement on Daily, Weekly and monthly basis.

### Custom Brokerage

When you choose MHP Customs Brokerage you get outstanding service and value guaranteed. People still make the difference. The best technology can't do the job on its own. More than ever, it takes well trained, customer-focused people to use technology to meet the needs of their customers. MHP people are specially motivated, because MHP is a company owned and operated by its employees. We're dedicated to meeting our customers' needs. We're committed to training to ensure our people make the best use of our resources.

### Project Cargo

MHP projects specializes in complex, high-value, heavy-lift and over-dimensional project cargo, global logistics and international freight forwarding services. Team MHP has an established reputation of multi-modal project cargo success and remote location forwarding experience backed by proven innovative logistics solutions and service excellence. Customers can count on MHP for reliable, professional, safe and compliant global forwarding. Our highly skilled professionals combine flexibility and responsiveness with maritime shipping, engineering and global project management resources anywhere in the world.
