## Multimodal Services To Cis, Central Asia & Africa

We offer some of the most innovative routings employing all modes of multimodal transport to serve the vast regions of Russia, CIS, and Central Asia & AFRICA. We offer complete range of multimodal transportation solutions to over 250 destinations across land locked locations in CIS, Russia & AFRICA.

### Multimodal Services Features :

- Project Shipments to all Russian destinations accepted.
- Multiple routings via different gateways by Sea+Rail & Sea+Truck.
- Door Delivery Service to Afghanistan and all other regions in CIS.
- Multiple routing to Afghanistan via Bandar-Abbas & Karachi.

## Custom Clearance

Duty Rates, Customs Clearance, and entry processes differ from Country to Country. Tariff classifications, value declaration, and duty structures can create confusion and increase costs. Continuously changing customs regulations on Companies makes it more challenging than ever to trade internationally. Our Customs Brokerage experts review these regulations time after time, thus help moving your Shipments through Customs efficiently without delays.

### Custom Clearance Service Features :

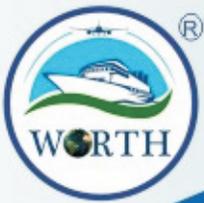

Management of Imports and Exports via Land, Sea and Air

Licensed / qualified Brokers

Duty and tax calculation

Advisory Services on duty structure.
